Having
uncovered its
truth, the powers
of "magic" were
obtained.

And with
this knowledge,
Silhouette Knights
were constructed.

STRONGHOLD.

...It's
awfully quiet
tonight.

The trail of the
demon beasts...
Even if we are
somewhat distant
from "Rabidly
Road", it's still
odd.

Now
that you
mention it,
it is... I don't
even hear the
beasts howling
in the dis-
tance.

As soon as he entered elementary school, he took out this unusual staff...

Then he fired off a high-level spell and got the the instructor to excuse him from basic magic class.

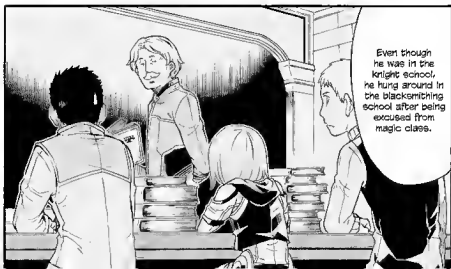

And it gets even stranger from there.

It's true, I tell you.

A newly enrolled child using a high-level spell?

Even though he was in the knight school, he hung around in the blacksmithing school after being excused from magic class.

He was even there to watch my mock battle... And he watched most of it, too.

I guess he was really passionate about Silhouette Knights.

He's a knight, right?

...Why black-smithing?

It might've been... That he was trying to build one he could ride himself.

That's right, huh...

Building a Silhouette Knight isn't in the knight's realm.

If that's the case, he's either an incredible idiot or an eccentric.

I'm sure
he's doing some
incredible things
by now.

Since
he was that
way during
elementary
school...

He should
be in middle
school now...

Roger
that!

Let's leave
it at that
for the idle
chatter and
go check our
maintenance
status.

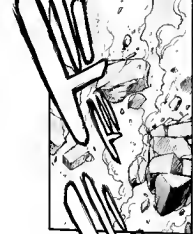

Just
when we
were thinking
it was quiet...
This seems
like it's
a pretty big-

Rumbling...
Footsteps?

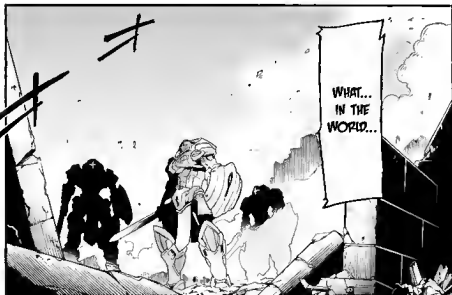

ARE YOU
GUYS ALL
RIGHT?!!

DISPATCH THE
CARDIOPHOBES!
HURRY!!

**T/N: Knights' classification system for monster size and toughness... this class normally requires an entire division of Knights to subdue*

A
BEHEMOTH...?!
ISN'T THAT A
"DIVISION
CLASS" DEMON
BEAST?!!

THIS IS... A
"BEHEMOTH"
...!!

WH-WHAT
IS THIS...
THIS MON-
STER?!

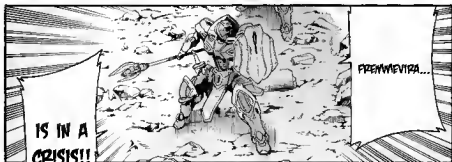

THAT IS
AN ORDER!!
REPORT THIS

CLAES,

FROM HERE!!
WE'LL HOLD IT

B-BUT,
WITH JUST
THE FORCES
WE HAVE
HERE...

IS IN A
CRISIS!!

FREMMEVIRA...

You always
get carried away,
Kid! Don't come
complaining to me
if you get hurt.

But I want to
test out this
new "Gandiva".
Right, Addy?

Hmph...
Now you're
excited?

This
is really
exciting.

Eh...
ummm...
okay.

Then let me lie
down on your lap
for the entire
wagon ride!

*I may never
understand
a girl's heart,
no matter how
old I get...*

All
right
then!

They're
here!

Oh.

The escort
Silhouette
Knights!

Even if they
are an escort,
it's just for a
worst case
scenario,
right?

Surprise?

And I hear
they revamped
part of "Quar's"
armor for this
practice!

Getting to
see Silhouette
Knights fight in
the field is a
happy surprise!

I don't mind. As
long as I can be
near Silhouette
Knights...

There aren't
that many large
demon beasts
that show up
where we're
headed to in
the Kroke
Forest
area.
